

# La Gratitude

Self care accommodation and care centre in Eldoraigne

Having a safe and comfortable place of residence is vitally important in our day and age, especially when it comes to the elderly. Proper attention to nutrition, readily available medical care and a hygienic environment all play an essential role in the wellbeing of the elderly.

At La Gratitude, in partnership with Retire at Home, we are passionate about the wellbeing of our residents, offering a complete service to ensure their stay is of the highest quality. We are committing to meet the individual needs of each resident to provide a comfortable and relaxed environment.

If you are looking for the perfect place to escape the responsibilities and duties that come with owning a property, La Gratitude is the perfect place for you.

Admission is subject to a pre-admission assessment, which is conducted free of charge by a registered nurse on site.

Included in the monthly rental is; accommodation, three daily meals, including tea and coffee, cleaning and laundry. No minimum care is enforced, only care as and when needed
