

The Care Centre at Olive Crescent Retirement Village Olympus

The Olive Crescent Retirement Village is situated in Olympus in Pretoria East. This smaller retirement village prides itself on modern and spacious self-care units as well as a 18 bed care centre.

This security village offers the prospect of a peaceful retirement in beautiful and tranquil surroundings.

The Care Centre

The Care Centre consists of 18 beds arranged in ward style rooms ranging from two to four beds per room. A wide range of medical related services are offered including but not limited to assistance with daily activities of living, mobilization of residents, active and passive exercises, colostomy and ileostomy care, peg tube feeding, pressure and wound care etc.

Two packages, daily and monthly rental, are available to suit the individual requirements. Both packages include the following service:

- Hospital bed
- Three daily meals, including tea and coffee
- Three hours dedicated daily care. This is not a bundled offer and can be spread out during the day. If additional time is required this will be done by individual agreement with each person.
- Cleaning and laundry

Various members of the multidisciplinary team conduct regular visits to the Care Centre, on a fee for service basis. These include:

- Doctors
- Social worker
- Wound specialist
- Oral hygienist
- Optometrist
- Podiatrist
- Physiotherapist
- Audiologist

Admission to the care centre is subject to a pre-admission assessment, which is conducted free of charge by a registered nurse at the Primary Health Care Clinic in the Care Centre.
